## Information contained in this report on Form 6-K

On October 14, 2026, Bending Spoons S.p.A. (“Bending Spoons”) issued a press release announcing that it has entered into a binding agreement with Berkshire Hathaway (the “Investor”) for the private placement (the “Private Placement”) of 10 million ordinary shares, of no par value, at a purchase price of \$33.00 per share (the “Shares”). The proceeds to Bending Spoons will be approximately \$330 million, before deducting offering expenses. Bending Spoons intends to use the net proceeds from the Private Placement for general corporate purposes and to invest in new acquisitions. A copy of the press release is furnished as Exhibit 99.1 to this report on Form 6-K. The Private Placement is subject to customary closing conditions, and Bending Spoons anticipates that the transaction will close in Q4 2026.

The subscription agreement for the Private Placement to be entered into (the “Subscription Agreement”) will contain customary representations, warranties, and agreements by Bending Spoons, indemnification obligations of Bending Spoons and the Investor, including for liabilities under the Securities Act of 1933, as amended (the “Securities Act”), and other obligations of the parties. The representations, warranties, and covenants contained in the Subscription Agreement (i) were made only for purposes of such Subscription Agreement and are made as of specific dates, (ii) are solely for the benefit of the parties to the Subscription Agreement, (iii) may be subject to qualifications and limitations agreed upon by the parties in connection with negotiating the terms of the Subscription Agreement, instead of establishing matters as facts, and (iv) may be subject to standards of materiality and knowledge applicable to the contracting parties that differ from those applicable to the investors generally. Investors should not rely on the representations, warranties, and covenants, or any description of such warranties and covenants as characterizations of the actual state of facts or condition of Bending Spoons. The Subscription Agreement will also contain customary registration rights provisions for the Investor.

The Private Placement is exempt from the registration requirements of the Securities Act pursuant to the exemption for transactions by an issuer not involving any public offering under Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D of the Securities Act and in reliance on similar exemptions under applicable state laws. The Investor represented that it is an accredited investor within the meaning of Rule 501(a) of Regulation D and is acquiring the Shares as principal for its own account and not with a view to or for distributing or reselling the Shares. The Shares were offered without any general solicitation by Bending Spoons or its representatives. The Shares sold and issued in the Private Placement have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration with the U.S. Securities and Exchange Commission or an applicable exemption from the registration requirements of the Securities Act.
